Toro® Precision™ Series Spray Nozzles Checklist

Use this checklist to determine what nozzles you need ***BEFORE*** * going to a participating store. The store won't know what you need! They don't know the layout of your landscape! Don't waste a trip by going unprepared!

Q = Quarter

T = Third

TQ = Three Quarter

TT = Two Thirds

H = Half

F = Full

10' Nozzles

Arc	Shape	Description	QTY	Male/Female
60°		10-60
